**NONCOMPLIANCE SUMMARY**

The offender has not complied with the following condition(s) of supervision:

**Violation Number      Nature of Noncompliance**

1      **Special Condition # 20:** You shall abstain from the use of alcohol and illegal controlled substances, and shall submit to urinalysis testing, including Breathalyzer testing, as directed by the supervising probation officer.

**Supporting Evidence:** On December 7, and December 22, 2005, the offender failed to report for random urinalysis testing at Second Chance-Iverson Center in Spokane, Washington. This information was provided by Iverson Center staff.

**U.S. Probation Officer Action:**

On December 8, 2005, this officer asked Mr. Goldsby why he had failed to appear for his urinalysis testing at Second Chance on December 7, 2005. He provided no explanation.

This officer met with the offender and his substance abuse counselor with Youth-Family-Adult (YFA), Connections in Spokane on December 27, 2005. Mr. Goldsby was advised that because he had missed another random urinalysis test at Iverson Center on December 22, 2005, and a random urine test with YFA on December 15, 2005, he was required to report to the probation office on January 4, 2006.
